Rugged Global 4G Solution

Conquest F3 Touch

The Conquest F3 Touch, an Android 12 feature phone, supports global 4G networks. Built with durable, scratch-resistant Gorilla Glass and IP68 waterproofing, it's glove-compatible for ease of use in tough environments. With a loud 120dB speaker and clear, high-quality sound, the F3 also includes a 13MP camera with autofocus, LED flash, and flashlight for optimal functionality.
